“ Angus was a man of integrity and gentle spirit. He always seemed to have time to stop what he was doing and give helpful advice on a project you were considering that usually involved woodwork and his skilled craftsmanship. He could usually be found working in his yard or busy in his woodshop building cabinets for a neighbor or a nice piece of custom furniture for someone in his family. He was an asset to our neighborhood mens Bible study and the Wednesday mens breakfast and just an all around nice guy. Our lives have been enriched because we were blessed to know you. You will be missed Angus.
