

## Carl Edward Gordon, III

March 29, 1937 - November 21, 2021

Carl passed away at home surrounded by his loving family.

He served a short stint in the Air Force in pilot training then went back to the University of Oregon to finish his degree. There he met Jo Coyner and they were married in 1961. He had a 24-year career with Pan American, retiring as a Captain in 1990.

Carl is survived by his wife, Jo, and children Kelly of Miami, FL; Kevin (Ginger), of Redmond, OR; Kirby (Angie), of Klamath Falls, OR; and Kim Lozano (Marco), of Collinsville, IL. Also, surviving are his brothers Jim of Ashville, NC, and Bob of Gresham, OR.

He was born to Carl E. and Susan Gordon in Madison, Wisconsin. Both parents, his brother Dick, and his sister Susie preceeded him in death.

Carl had some hobbies; painting, hunting, fly tying, reloading, hot rods, etc., but the only thing that was really important to him was his family. He was a wonderful husband, an ultimate father, and will be deeply missed.
