“ Vandetta & Melinda& Clarice, How lucky we were to have Carolee in our lives. She was always happy& full of fun. Her love for her cats& dog(Socks). What wonderful& good times we all had together at Buttes Meadows since we were 8 years old. Our trip up the hill to our house was always a big deal to us& finally we all got indoor plumbing. Times around the bonfire.Love your cousin, Nadine

“ There is No Vacation from Your Absence. Every Morning I Awake I Am a Brereaved Person. Every Noon, I Feel the Hole in My Heart. Every Evening, My Arms are Empty. My Life is Busy, but Not Quite Full. My Heart is Mending, but Not Quite Healed. For the Rest of My Life, Every Moment Will be Lived Without You. There Is No Vacation From Your Absence. Rest Well, Sweet Lady- Thanks for All The Giggles- Psalms 116:15

“ Vandetta, Melinda, & Clarice Want you to know how much I Always enjoyed being with Carolee, she was a lot of fun & a joy to be with. I will miss her. Here is a partial poem written by David R Romano; When tomorrow starts without me & Im not there to see, please try to understand; that an angel came & called my name & took me by the hand; and said Id have to leave behind all those I dearly loved; so when tomorrow starts without me, dont think were far apart,, for every time you think of me, Im right here in your heart

“ Clarice and daughters, I grew up with Carolee when she was living across from the one mile pool here in Chico. We shared many wonderful times together growing up. Clarice, you were the little sister and with us often. i still have great memories of Carolee, Soxie, that cute black cocker spaniel, and your family both here in Chico and at the cabin in Butte Meadows. I am so glad that I had a great visit with Carolee when she was in Chico for our last reunion in 2010. She will be greatly missed. Sincerely, Arlyne (Marzolla) Hazel

“ I met Phil and Carolee, and a 6 month old Vandetta, in 1962, the year Tony and I got married. Tony and Phil were co-workers, and they took to each other, and then I took to Carolee, so we shared many memories of our friendship as couples in San Jose. We always kept in touch with them and the girls throughout the years even after moving separated us. Carolee was so beautiful and talented and stylish, inheriting the values of her wonderful parents Bill and Phyllis. Carolee was my mentor in many things home décor, cuisine, gardening, fashion, the arts. We took oil painting lessons and piano lessons together, and we made short trips on vacation together around California. We will always treasure our memories of those good times. Our hearts are with you dear Vandetta and Melinda, at this time and always, Love from Tony and Emilie
