“ I had the pleasure of having Mr. Pennhollow for a math teacher in Jr. High, and he was an amazing teacher! Always friendly, helpful and smiling! My dad and step mom were married at the Powell Butte Christian Church, but I'm not exactly sure which Pennhollow married them at the time? I went to school with his kids and it family enjoyed many years watching them in parades and at the fair and rodeos! He was a great man and will be genuinely missed by many!

“ *Mr. P was my 5th grade teacher at John Tuck School and then again at Evergreen Jr. High. I will never forget him. He would wear his coveralls and called them his Grandpa P pants. What a great man he was. My condolences to his many friends and family.*

“ Coach Penhollow was my very first football and basketball coach and one of my earliest baseball coaches. He always made it fun, always kept it positive, and he always gave us confidence in ourselves. Over the past 50 years since I met him, he never changed a bit - I still always wanted to play for him and try to make him proud. I feel like he was always my biggest fan, but when I stop to think about it, I think there are thousands of his students and players who would say the exact same thing. He believed in kids and the goodness in kids even when the kids didn't see it in themselves. Coach P was the best, and all of us who were fortunate enough to cross paths with him are blessed forever. Thanks Coach! RIP!

“ *Mr. Penhollow was one of my most beloved teachers. I used to get the giggles in his class so bad that I couldn't stop no matter how hard I tried. He always was patient with me because he knew I was trying. But when he realized I wasn't going to be able to stop, he would always say... "Rindy, go ahead and go take a walk to get those giggles out". He knew I wasn't trying to be disrespectful and I appreciated that he knew that and I never got into trouble. I always enjoyed seeing him at fair and visiting with him during summer break. I remember him always being the one to open the gate and call us in the ring when it was time to show our cattle. He would always pat me on the back or shoulder on the way out and tell me what a great job I did. Later on in life when I would see him out and about or at fair, he would always greet me with that same smile and pat on the back or shoulder and we would visit awhile. He was a wonderful teacher, supporter and friend. I will cherish my memories of him and will surely miss our conversations, his smile and that pat on my shoulder. Prayers to his family and friends and everyone who's lives he touched throughout the years. He was one of a kind and will forever be missed. ❤️
