“ Chris definitely lit up any room he entered with his good looks and humor! I have many fond memories, most recently of him bringing Michael out to Prineville for boating/tubing. He always helped our family and anyone else in need. I will love you forever Chris!

“ Over 20 years of friendship to this person who woke up any room he entered, helped a friend when needed, loved children of all ages, a good listener, would take over the kitchen, but the most memorable memory is of Chris singing and making up songs to make the kids laugh.

“ I am so proud of the man that Chris became. He was hard-working, straight shooting, and willing to do the hard jobs. I wish I had more chances to hear him sing. Wish I could have danced with him again.
