“ *What can you say about Cora other than she was a genuinely wonderful person. Caring, funny, charming and kind. Always would listen but would not hesitate to offer her advice or opinion. The world needs more Cora's. RIP. Bob and Carol Downs ( sorry this is so late Mike and Mary but we just heard of Cora's passing yesterday)*

“ *My wonderful Aunt Cora has been a part of my life's story from the beginning. My mother was her younger sister Lora. They went to California together right after high school. They even had sons in the same hospital at the same time. She watched my older brothers while my mother gave birth to me. She was special to me. I always traveled to North Carolina when she went there to visit her siblings. I will miss those times with her. To Mike, Mary, and the girls. You were her joy and she spoke of you so fondly. I wish I could have met all of you girls.*
