“ I am heart broken to hear of Craig's passing. We were very good friends. We spent many hours riding together as we carpoled between Terrebonne and Bend to catch the bus to Mt. Bachelor. He was a great friend to me and I am happy to have had the pleasure of knowing him. Ted, I am so sorry for your loss. You guys were a lot of fun, and my heart goes out to you. Although I left the area in 95, I still consider you guys some of my best friends. We had some great times together. Sending my love. Condolences to everyone who will miss him. Love to you...

“ I will miss you Craig, I am sorry I did not keep in touch better. You were such a good friend to me and we shared so many laughs and stories. I will miss you always. I will remember you skiing and remember how much you loved the sport. I will remember how much you loved your dogs. You are a unique and strong man with the kindest heart. I can hear your voice and your laugh as I write this. I also had such a great time working with you at Bachy ...
Goodbye Craig, I will miss you always

“ I am heartbroken for you Ted, his family and friends. Craig was a wonderful friend in my youth as the tag along with him and Sally. I will forever cherish my memories of times spent, seeing him up at Mt B at the Outback Chair in years past and those visits when Sally came to town. I always thought we'd get another chance. Sending love and hugs in this difficult time.

“ I'm very sorry to hear about your loss. Losing a loved one in death is such a difficult thing to cope with. My heart goes out to the family and friends of Craig during this time. Cherish the good memories. Please find comfort in knowing that God views death as an "enemy" and will act to end it forever (1st Cor 15:26). God's Word also promises a time in the future where we can all have a hope of seeing our dead loved ones again (John 5:28,29). A beautiful hope. Take care.
