“ David was my cousin and as a child I always looked up to him . He bravely went to Vietnam and unfortunately came back with alot of trauma to overcome.He overcame that and cancer also. Great guy.

“ Dave was a great man and I feel lucky to have known him. He was very proud of his service to our country. He loved to talk about all of his Native American friends, his military brothers and his daughters. He also loved USC football. He was always working hard on his yard and his roses even though he had a hard time getting around. He would always give me a yell when it was time to pick his roses and tell me to pick my wife a vase or two full. But he told me not to tell her that they were from him so that I could score more points with my wife. I used to really enjoy just going over and sitting with him and Bella and talk. He was very wise. RIP Dave, You will be missed!
