“ *My deepest sympathies with the passing of Gene. I was just a 14 year old boy when I first met Gene who was the foreman in my Dads sheet metal shop. I would bring my work to Gene to have it checked. Gene taught me so much. He was so knowlegable but beyond that he was patient and kind to a 14 year old kid who knew nothing. I really appreciate the way Gene treated me (and others) and I am honored to have known him. Dan Lind*
