September 19, 1931 - August 7, 2021

It is with heavy hearts as we announce the passing of George Frank Pierson, a wonderful husband, dad and grandpa.

He passed away peacefully of natural causes on Aug. 7, 2021, just shy of his 90th birthday. George was born on Sept. 19, 1931 in Fresno CA to Vern and Mary Pierson (née Garcia).

He was a senior industrial engineering supervisor in defense and also contributed to getting the first 747 off the ground for which he was very proud. The majority of his life was always active with boating, hang gliding/paragliding, camping and flying his beloved 1949 Navion which he owned over 50 years.

He leaves behind his wife Barb of 70 years, children Donald, Michael and Barbara (Bobbie) Pierson, grandchildren Michael and David, younger sister Gloria and many friends. A resident of Crooked River Ranch for 26 years, he spent a few years on the board of directors for CRR HOA and contributed a lot of time to several CRR committees, including roads.

George requested cremation and he preferred no service be conducted. The family will celebrate George's life at a future date.

The family welcomes your memories of George, please add them to this site.
