

George Evans Scott

May 27, 1953 - April 12, 2013

Our beloved George left this life, after a courageous battle with cancer, very much as he lived it: quietly, with consummate grace and amazing dignity. George was born in Melbourne FL. Raised in the Bay Area, George graduated from the University of Oregon on March 19, 1983 with his BA in Architecture. George was a fabulous and accomplished architect, winning several awards for his work. Georges integrity and ingenuity were beyond reproach in all facets of his life, whether pertaining to his architecture, the engines of his cars, or interpersonal growth of himself and his family. He had an amazing capacity for love, laughter and forgiveness. He will be greatly missed by his family and all who knew him. He leaves behind his mother Marian, sisters Sue, Cindy and Jenny, as well as his wife Gail, son Joshua, and beloved dog Doc. At Georges request, no service will be held: he preferred that we be outdoors laughing, as opposed to indoors mourning. A gathering celebrating his full and admirable life will be held for family & friends this summer. Thank you to the wonderful people at Redmond Funeral Chapel for their kind care and aid.

“ George was a great friend and mentor, I worked with George for 6 years immediately following graduating from Washington State University another Pac-10 (12 now) school and he was a wonderful person to learn from. He was smart, honest, kind hearted, and full of integrity. He had some great stories and was always willing to talk. He really cared about people and I think that showed. I will miss him greatly. Thanks for being a great person George!

“ I didnt know George for very long, but for the short time I did know he, he was sweet, caring and funny. Always had a smile on his face and a joke to tell. It was always a pleasure seeing him. This world has lost a true light and inspiration. He will always be with us though. Someone as good as he was will always live on in the hearts of those who knew him. You couldnt not love him. Thank you George for being the person you were and for brightening everyones lives with yours.
