“ *"Pepa, I need some ice cream!". Only he would know that. When I was a kid, I would throw big fits in the middle of the night and he would, for only god knows why, go out of his way for a bratty kid crying for ice cream. H.T, you were around in the very early stages of my life. Over 20 years ago. And one of the very few to make such a big impact on me. You were my "pepa".*
