“ To the Naegelis over east and in the valley, I am sorry to here of your loss. I havent seen Howard or Delores for some time. I would run into them when they came to visit my folks, his brother, Lloyd. I know he was a good man, father, uncle and brother. It sounds like he was also a great granddad. He will be missed and not forgotten. May the Lord be with my Aunt and Cousins, as they heal from their loss. Oh Harlan. It was good of you to comment. Can we please stay in touch. Family is so important. My number is 5417719712. How is your mom.

“ Howard is the father of my husband Richard Charles Naegeli. We have been together 32 years so I am blessed to say Howard has been the only real father I have ever had. From the first day I met Howard & Delores they have always been such a loving & caring example of what a marriage should be so Richard & I married on the same date as they did. August 20th. They were approaching 66 years of marriage. what a true example of love. We have 3 sons Andrew, Nicholas & Steven each having there own bond with Grandpa Howard. Nicholas was born on February 18th like his grandpa so his middle name is Howard in honor of the day they share. When the boys were young Howard made a wooden cradle, a toy box, bunk beds & for our youngest son a beautiful large rocking horse. Together they did these projects because Delores would then do the painting on them. Very special pieces made with love. Howard & Delores would often make a trip just to watch one of the grandsons in a soccer game. They even took Nicholas to Boise when OSU played just so they could see that blue field. Howard, Richard & our sons attended many Oregon State games together dressed in there Beaver shirts then the time came when Delores started wearing her Beaver shirt so she could attend those games herself. Such fun & special memories. Many fun filled family get togethers in Meacham at the beautiful home built by Howard, Delores & all there children. There are so many things to be said about reunions, get togethers but the best part was always having mom & dad at them. Up until the past couple months Richard & Howard spoke daily on the phone and if there was a game on tv so many phone calls in between things happening during the game. This was something that was so special to them both. This last year January 2014 our son Andrew & his wife Shelby gave birth to Weston our first grandchild making 4 generations of Naegeli men Howard, Richard, Andrew & Weston. Howard & Weston didnt have alot of time together but all of us will make sure Weston learns about his wonderful great-grandpa via many pictures & stories. Thank you Howard for accepting me and making me feel like I really was your daughter not just a daughter in law. Thank you for showing us by example how love, patience & time spent together

*are what it takes to make a marriage work. Thank you for all the precious & wonderful memories & for always being there for us. I love you dad.~â™j~*

“ *I use to love to come to you guys house for slumber parties We would all gather around your dad on our sleeping bags, in the big house in Union, and your dad would read a story to us! It was always a very fond memory of our childhood. I also remember when you guys use to live by the school in the Blue house, by my grandma Bronsons. Your mom and dad and your family have been there in and out of my life always. Thinking of you all, and sending my condolences!!*

“ Oh Sherrie Im so sad. I spoke w/ your parents approximately 8-9 months ago. When I dialed their # today and it was disconnected I contacted their Parish & learned of his passing and also that your mom moved to your home. Took some searching to locate your number & left you a message please call me. 510 452-5743(h) 510 421-4243 (cell). The message will say Margueritte (my birth name) but Im still Mimi to many. Your parents saved my life in more ways than you can ever imagine. I know we share good & bad memories of that time with the passing years only the good one remain for me. Playing and singing to the 45rpm Blue, Navy Blue Im as blue as I can be. My steady boys said Ships Ahoy and joined the Navy.
