“ Although a few months have already passed, we just learned of JDs passing yesterday when Jim ran into Vern. We were shocked and so saddened to hear that JD had earned his Angel Wings back in March. We have many wonderful memories after knowing you since 1974, along with some of the beautiful work you did when we remodeled a bathroom several years ago. You will never be forgotten, and we pray for all the family and Barb to remain strong and comforted with Gods love and all of our prayers. ~ Jim & Lynette~

“ i wish I could have known you better Uncle J.D. I dont know a lot about you except that I know momma loved you a great deal. I remember pictures she used to look at and know she missed being around her brothers. What a joyous time in heaven now that you are reunited with her. Love.
