“ Jim was a professional in our national organizations AECT and AASL. We shared roles as executive director officers in our state library association and shared a love of the baseball NY Yankees over decades. When I was AECT president in 2000 our conference was In Atlanta and Jim and I were announcing a new school standards publication called Information Power. Jim loved his family and the high school coaching at Redmond HS as well as serving as the library media specialist. He was a long time member of the Oregon educational media association in addition to the national organizations. Charles White, Myrtle Beach SC
