“ To Shirley, Gary and the entire Arnett family. I was very saddened to hear of Johns passing. I came to know John and the Arnett family while working with Ed Fitch. It was always a delight to see John when he would visit the office. He was such a kind and gentle man. I know you will all miss him terribly, but my faith leads me to believe he is with our Lord and I am sure he and Sheldon are together again. Our thoughts and prayers are with you and your family

“ John was one of the sweetest men I knew in my years in Redmond. He was a generous and caring man. I loved to see he and Sheldon try to out bid each other at charity auctions in the church we all attend. Rest in Peace, John and may the Lord bless your family during this difficult time.

“ John will always have a special place in my heart! He was my friend and we always had good conversation together. John had a way of making me feel a part of anything going on, even when it was guy talk. John cared for his family and friends and it was evident being around him. John had a dream to help and establish the new Church at Mountain View Christian Fellowship for as long as I knew him. John liked to be involved in many things and enjoyed the challenge to make successful all he put his heart to. He is not short of Family and Friends and John cared about making lasting relationships with all he knew. I am so glad and privileged, to be able to meet and know a man like John Arnett. He has left a legacy of children and grandchildren who embody his character and giving heart. John will be missed so much!! I know hes in Heaven now catching up with so many of our other loved ones, laughing and telling some good stories about all of us! Loved you Uncle John!!
