“ Joe, I miss you so much! I am grateful for the time you spent with my mom, Barny, and the devotion you showed her in those final years. Youre the best! It makes me happy to think that you and Mom are back together now, hopefully getting in some golf and enjoying happy hour with Auntie and Uncle Jim. Much love.

“ I am sorry to hear about Joe. Both he am Barny were good friends of my mother, Ellen Kelly. I have visited with both Joe and Barny on numerous occasions and will miss them. I was particularly impressed with Joes dedication following Barnys illness. He was truly a loyal, faithful and generous person.

“ I am very sorry to hear about Joe. He and I were good friends when I lived and worked in Missoula and Joe worked for ACI. He was an outstanding representative for them and he always looked after his customers (me) best interests. Besides having a good work relationship, we enjoyed each others company and played a lot of golf together, taking trips to Kalispell, Whitefish, and other places in Montana with several friends. I know they still remember those good times as much as I do. I now live in North Carolina and so I hadnt seen him for many years although we kept in touch at Christmas. He was a good friend and I was looking forward to his Christmas card, always golf related.

“ Thank you Stephanie for your kind thoughts and memories of Joe and his loved one Barny. I believe I met your mother Ellen once on a visit to see Joe and Barny in Sun City. Ellen also lived there and they spent many happy times together. Hope to see you at the Celebration of Life for Joe. Will keep you informed. Thanks again for your reply. It was a comfort to hear from you, Jeanne Lord, Joes sister.
