“ Alex and Annie, I am so very sorry for your loss. Julia was a very special lady and was like a second mother to me. I have many fond memories of her from all of the times I gave her my car so she could take my mom shopping, spending time with my children, making me stuffed cabbage when my mom was no longer with me, & telling me when I was gaining weight!!! All such great memories that bring a smile to my face as I write this! Julia always remember our birthdays and anniversaries & never forgot my granddaughters. She always sent them her homemade gifts that oozed with her love! Although I was sad when she moved, I know the last 10 years were the happiest of her life. For that, I am so grateful to the two of you who loved and cared for her. I know that God has welcomed her into his kingdom and she is at peace. My family & I will miss her very much. God Bless you Julia! And may He continue to bless the both of you!

“ I am so sorry for your loss. I feel truly blessed having your mother in my life and in my childrens life. She always went out of her way to make me feel loved. I know she had a hard life and she never complained. I cant begin to tell you how many times she came to my house by bus for parties or just to visit. I am so glad she spent her last years with both of you. She will be missed. My prayers are with you and your family. Love, Carol Ann P.S. Your Mom was the only one that called me Carol Ann.

“ Dear Aunt Julia you were the best Aunt ever. I enjoyed all your visits to our house when I was growing up and then I especially enjoyed getting together with you and Cynthia for day and going to lunch at one of your favorite spots. We always had so much fun. I have missed getting together with you but we had good phone conversations. I am so glad that you got to live with Alex and Annie because you always said you enjoyed being with them. Our sympathy to Alex and Annie, I know you will miss her dearly. Your Mom was such a loving person may she rest in peace. Love you Aunt Julia, Susan, Norman & Marla

“ Hi, Aunt Julie, Im so glad we got to see you in the wild, wild, west! I know you loved it there. I still miss our girls lunches out, and all the laughter. Susan and I talk about it often. You always remembered our children, and grandchildren, Im glad they got to know you. I hope you have lunch with all your Kinczel siblings! Your job here is done, now rest in the arms of your maker! Alex and Annie, I know she was very glad she decided to go west to be with you, and she even liked taking care of the cats and dog! She used to keep us informed about the horses, too. Our prayers are with you both. Much Love, Larry & Cynthia

“ Dear Staff Members of Hospice of Redmond, Please accept this donation to your hospice service in the name of Julia Nyars. We (Mary and Teresa) are sisters of Annie Nyars. She shared with us what a wonderful job you did in making Julia’s last days as comfortable and happy as possible. Annie just couldn’t say enough positive things about how accommodating and generous you were with your time and attention to Julia, and with Annie and Alex as well. Thank you so much for your dedication, commitment and expertise in caring for both the patients of hospice as well as their families. Having lost our mother a few years ago, at the age of 90, we can definitely attest to the need for hospice during times we lose loved ones. Thanks so much for your generous donation. Annie & Alez
