“ I feel honored to have met and spent time with Ken, and Helen, throughout Kens illness. Ken always had a smile and was nothing but a gentleman. His stained glass hummingbird hangs in my window and his spirit will be forever in my heart. Helen, may you find joy in the many delightful memories you have and peace knowing Ken is no longer is suffering. I will always remember you both as the Twinkie kids. XX Valerie Knobel IR RN

“ I met ken and Helen many years ago while working at BMC. At that time I had the pleasure of getting to know them and they both touched my heart. Ken will be missed by so many people and his kind heart and smile will always be remembered. Helen my heart goes out to you as I know how he was always the most important person in your life. Helen, I am always here for you and if you ever need anything, I am just a phone call away. Love to you and may god watch over you. Heaven has a new angel now and I know he will always be by your side.
