

Kyle Jacob Willett

August 18, 2001 - December 24, 2020

Kyle Jacob Willett passed away on December 24, 2020, as the result of an automobile accident. Although his time with us was far too short, he left an abundance of love. He gave us so many special memories which now bring us comfort in difficult moments. His accomplishments have always made us so proud. Kyle had a naturally dry and concise sense of humor, and the laughs he brought us will be cherished forever. Kyle was a talented athlete who especially loved basketball and will be missed on the basketball courts in Redmond, OR and the YMCA in Vancouver, WA.

Kyle is survived lovingly by his parents Jay and Tracy Willett, sister Kate, grandparents, Art Willett, Martina Blanchard and James and Patricia Greear. He will also be missed by his aunts, uncles and many lifelong friends.

If you knew Kyle, you may have thought he was shy. We knew him to be sensitive, individualistic, intensely thoughtful and intelligent. He was a deeply feeling human with a wicked sense of humor and a smile that melted hearts all over Southwest Washington and Central Oregon. In his childhood years, he was creative and wildly imaginative with strong attachments to characters, songs and books. As he grew, his relationships may have been few but were large in meaning. He had a way of encapsulating a thought in as few words as possible but could knock you over with his profound simplicity. Kyle had a strong work ethic appreciated by his employers, coaches and teachers.

We hope that you had a chance to know him and know his very special light!
We regret that currently we are not planning a service. However, we will be planning a celebration of life in the future.

- In lieu of flowers, a donation fund has been set up in his name through the YMCA, a place he spent hours playing the game he loved. If you would like to donate, please cut and paste the link below. It is a little tricky, you will need to check the "Dedicate this donation" box. Then choose in Memory of and type in Kyle Willett.

“ I had the privilege of coaching Kyle in Baseball. I can still remember the first time i met him. He seemed quiet and shy. Kept to himself mostly. But that didn't last long. With every practice and every game he grew more into a great young man. His love for baseball showed as his worth ethic was strong and his determination to get better grew. I don't remember many practices where Kyle wouldnt say what's up coach or ask how my day was. Tons of good memories with Kyle keep flooding to memory. Great plays he made on the diamond and great hits he had. But what i remember most is how respectful he was and kind. He had a big heart. Never selfish. Tracy and Jay you raised such a great young man and i feel blessed to have been able to meet and get to know Kyle over the years. Rest In Peace Kyle Much love Coach K
