“ I met Frances at Brookside while I worked there as an Activities Coordinator. She was one of the residents that really touched my soul. She would reminisce with me about being offered an opportunity with Disney, and as a young woman she chose bravely to be a mother & wife instead. She was always so kind to me, and grateful for our talks. She used to take care of others and said it was a wonderful experience. She LOVED music and dancing. I will never forget Frances and all the stories she shared with me, and am deeply sorry for her loss. She was a wonderful woman!
