“ I am sorry to hear of the passing of Lewie he was a good friend & fellow worker. I enjoyed the number of times that he would come over to Prineville and visit with me. We would talk for a couple of hours about working at the mill, hunting and fishing. He use to be a neighbor of mine here in Prineville prior to his move to Redmond for many years. My condolences to the Simmons family. Jack Frank

“ *Henrietta and family: Lewis was always a great neighbor and a great friend. When we needed help and/or assistance he was always available and and very helpful. Always had a cheery smile and wave when he drove by and whenever he saw us. Our condolences to Henrietta and their relatives and friends. He will be missed! Jim and Emily*

“ *Henrietta and Family, I am so sorry for your loss. Lewie was a great neighbor that always had a smile across the fence! I know that one of his favorite fishing spots was Walton Lake. While I have only been there a couple of times it didnt make any difference. He always had a smile and was ready for conversation. As a neighbor he will be missed. He was there for me in conversation several times after the loss of my wife a couple of years ago. I will be grateful forever for his empathy. My heart goes out to your family.*
