“ I have known Dick & Marie Chandler for years and was sorry to hear of her passing. I became acquainted with them while working at the Crooked River Ranch Fire Dept. Always happy and willing to help anyone in need. She will be missed.

“ Marie and Dick were our neighbors for 21 years, great people. Marie always had a story to tell, sweet woman. Hope she is with her true love Dick.

“ I grew up with Dick and Marie at CRR in the 70s. I spent many wonderful days with them and the grand kids my age. Marie was always kind to me and treated me as one of her own. Always adorned in her flowered shirt with the sleeves rolled up, black pants and black hair bun; I still see her out front warmly greeting all who would stop by. Dick was a mans man; father, friend, hunter, rancher, ace mechanic, faithful and devoted husband. Never had a harsh word to say against anyone. Especially kind to children. If I turn out to be half the man Dick was I will die happy. While I mourn learning of their passage, I know they are together and eternally blessed for all the years of kindness and love they shared with the world.
