“ My heart goes out to all of Marie's family. I never got to meet any of you, but I heard many a story about all of you as Marie spent many hours in the Redmond Infusion Room. Even when she couldn't breathe well she was full of excited energy as she talked about her life and family. She was one thoughtful, kind, considerate person and I will always remember her quick smile and laugh. She fought a valiant battle, never giving up hope that things would get better. I will miss her.

“ To Marie's family- Rick wanted to make sure you all knew how much he cared for Marie and he always considered her his second mom. She always asked how he was and was sure I knew how much she cared for him and that was special for me. He will always have fond memories of all of you and wishes he was able to be there. She is out of pain now and with the Lord and he will keep and watch over her for you. Again, accept our condolences.
