“ Maurice Raped me when I was 16 and he was a pedifile of young girls in their foster home. Hope he rots in hell for what he did to us.

“ We were always honored to be among your friends, you were the best influence in our lives. Terry & I enjoyed nothing more than meeting up with you every week for years. I think you said Terry always listened to you but he didnt always hear you. You are missed so very much. I send my love to Wilma and Family.

“Maury, Dick and I had only a few brief visits with you over the years since Pam and Erik have been married, but we know you were a wonderful part of their lives and the lives of their three terrific daughters. I learned so much about you from them, and grew to appreciate and respect you for the kind of man, husband, father and grandfather you were. Thank you for the special person you will always be to them, and for the inspiration you were to all who knew you.

“First memory of Maury: Pam and I were early in our relationship, and I was dropping her off at her house in CoeurAlene, ID and getting ready to go see my Dad in neighboring Hayden Lake for the weekend. It was about 11a on a Saturday. Maury had just come home from a long haul truck drive, and walked in. We did not know each other well, but had met once or twice. He asked if I had a little time to help him with something. I said sure and he put me to work raking, digging, spreading dirt, and doing work to prepare his backyard plot (not big, but big enough) for re-seeding. Well, I was there until dinner time, leaving my Dad wondering what had become of me. ðŸ™, Evidently I passed the test, and learned a valuable lesson myself yes, when daughters bring home suitors, there will be chores involved to see how dedicated and hard working they can be. Thank you Maury for a life lesson I will apply at least three times in my life. ðŸ™,
