

Nancy Alice Mohler

September 28, 2017

Born in Hopeland, PA to Harry and Bessie Strickler, she was the youngest in a family of six with sister Mary and brothers Robert and James. Nancy attended Ephrata High School and was elected to student council and participated in choir. It was there she met her devoted husband Ronald Mohler whom she married in Ephrata, PA in 1950. They began a family soon afterwards and gradually moved west. They settled in Corvallis, OR and retired in sunny Sisters, OR. She was Ron's inspiration and companion. Wherever they were, home was a priority and they made everyone feel like family. Nancy was a nurturing and loving person. She took pride in raising her eight children and had many pleasures in life including teaching Sunday school, mentoring, gardening, travelling the world and artistry. We will all remember Nancy in different ways. As the matriarch of a large family we can recall her compassionate wisdom in the face of adversity but also her many ways to celebrate family during joyful times. We think of Nancy through her cooking where she passed down family recipes and traditions and also through her paintings and memories. She found peace in many places whether it be in front of an easel with her paints, watching wildlife from her home, or singing in church choir. Nancy was a loving wife, mother, grandmother and great-grandmother. She is survived by her husband, eight children (Curt, Pam, Susan, Anita, John, Andy, Jenny, Lisa), eleven grandchildren and four great-grandchildren. Her loving touch will be with us forever. A celebration of life will be held Oct 28th at 1PM at Shepherd of the Hills Lutheran Church, Sisters

OR. In lieu of flowers, please make donations to Partners in Care (www.partnersbend.org, select donate now). Express your thoughts and memories at www.redmondmemorial.com (select obituaries, search for Nancy Mohler and leave a comment in the guestbook)

“ *It's taken me a while to think of what to say. How can you sum up 25 years of love and affection from someone as sweet as she was? She was always the first hug I got and the last one whenever I saw her. Always a source of love and joy. I like many of us we will keep her in our hearts and carry her with us where ever we go. Love you Grandma*

“ *Dear Ronald and Family This note is more from my Mother, Esther Stuber, than from me. She is sending me instructions to contact you with sincere condolences. She was concerned about Nancy as a young bride and was pleased to see you both grow into a couple/family that made contributions in your professions. She was always happy when she heard about your next adventure or the birth of a baby. My prayers are with you all as you cope with all the decisions and details. I do hope her trip to the other side was gentle and not too long. Most sincerely!*

“ Mom Nancy was a beautiful part of my college years and all the years after that. She welcomed me right in to the family, I never felt like an outsider when with the family. She will be missed so very much.
