“ Aunt Phyllis was always very special to me. She was so kind when we stayed at their home when our mom was hospitalized when my brother, Frank and I were little. I treasure the baby afghan she crocheted for me. Both of my children were brought home from the hospital in that afghan. It was later passed on to my grandchildren. It was then given to my nephew and his wife for their little girl when she was born. I still have the one she made for me. She put a lot of time and love in creating the afghans. Her home always reminded me of Better Homes and Gardens. She definitely had a green thumb. Her flowers and garden were always beautiful. Such great memories. May you Rest In Peace, Auntie.

“ My parents were friends with Ernie and Phyllis my whole life. Her parents, John and Doris knew my grandparents and great aunt and uncle, all from Coos County before many of them moved to Redmond.

I remember Phyllis and Ernie as wonderful people, friends and neighbors. I attended school with Denny, Jim and Sue. With her passing part of Redmond has passed also.

Many, many fond memories. Such a great lady!
