“ Great memories of the 1971 trip to the Steens Mountain and the Basque sheep herder who traded us for the trout that would not fit in his pan. 1972 found us in the Northern Cascades with brother Dan and hearty hiker Therese on the snow fields. Great memories for a 19 year old with long hair along with Dick and Jean. Can still hear Dick’s distinctive voice. Best to Jean and family Bill Thorndike Medford

“ Thank you for publishing cousin Dicks obituary in todays Medford Mail Tribune. This important information has been added to the genealogy information in Dicks family history records. Further information regarding the disposition of his remains would be appreciated at an appropriate time. Thanks you for the email informing us of his passing. Dick was a special cousin who lived a full and successful life we admired. Thank you
