“ Everything that I hold near and dear came from God and that includes Bob (Dad). In fact, watching him close every single day by reading His Holy Word left me wanting to know what was so important to him. When God called me to His Family through Christ, I understood Who and What was so important. I thank God every day for showing me Dad and Moms faithful Christian devotion. I learned so much from Dad. I learned never to touch a grass blade to electrical fencing, and concurrently I learned what Dads poker face looks like. I learned that one can never eat enough cabbage, peanuts or apples and a meal isnt complete without a good chili pepper as condiment. Im quite the talker, but Dad taught me how to listen. After all, its pretty tough to compete with an even bigger talker and I loved our visits late into the night. He taught me how to fish. Im not that excited about fishing, but Id give anything to do it again with Dad. I was raised by one dad, but I grew up with another shepherding my life. I miss hearing you ask me if I know how much you love me. I do. I hope you know how much I love you.

“ *My Uncle was a great and wonderful man. He taught me to fish and he kept god going strong in my life. I am going to miss him so much and he will always be in my heart.* ”
