“ Brenda I just wanted to tell you how sorry I am you have lost Bob. We knew you well when our girls were in high school 35 years ago. Bobby and I always enjoyed Bob. He was a special guy. We have not seen each other for years, but have some great memories - girls' basketball, etc. God bless you! Pat (Beesley) Wilson

“ Dad, thank you for all the love and advice over the years. Whether it was always wanted or not. To this day I still follow the advice learned years ago, ie if you fall off get up and try again and never show how scared you are. Works well with horses and people. Be at peace, healthy and well. I love you and always will.
