“ To the family of Mr. Riggs I know this will be repeated many times..what a wonderful, gentle man he was! May you find comfort in the happy memories that are in your hearts. He was also my principal in school. He always had time for his students; I remember going in to his office just to talk or getting a hug in the hallway as we passed by. He was the BEST!! Blessings during this difficult time.

“ To the Riggs Family, I wanted to save what you all already know Mr. Riggs was a good man. He was my principle when I was in school, a great community leader and obviously cared for others. He will be missed. Jay
