“ My mom is surely missed already by her 3 children, Erika (&Michael), Cyndi (& Erin), and Steve (& Sasha). As well as her 8 grandchildren, Ashley, Lane, Tiffany, Taylor, Jameson, Steven Jr., Eden and Gunner! She was also blessed with 3 great grandchildren and another on the way, Abel, Leon and Harper! She loved her children and all her grandchildren very much! She also loved her dogs Noel, missy and cocoa! She enjoyed spending time with them as well as her baby brother, Eddie. She could get a bit spunky with him and harass him and dad. Lol. Those were the days we knew she was feeling pretty good! We cherished those moments as they were getting less as time went on. She used to love to dance and boy did she dance! Her and dad loved to slow dance and he would sing to her! She loved it! 50 years together! Now that's an amazing dance!! She was the best mom!! She was that mom that baked and decorated all of our cakes! She made our Halloween costumes and dress rehearsal dresses. She even made some of our clothes! She was creative with her embroidery. She would play the organ, especially at Christmas time. We would all sing carols. She was always at every sporting event or activity we participated in and cheered us on! She loved us even when we screwed up! Which was probably more than she would've liked. Lol. And although She struggled for several years battling cancer and suffered the many side effects it had caused, she tried to fight it and get through it as best as she knew how! We all love you mom! We were all your angels and we are so blessed to have you as ours now!! I only wish R.I.P meant Return if Possible!!
