“ *For God so loved the world, he gave us you as our mom. Rest in Peace with dad and all those who have gone before you, and know that there are so many family and friends that mourn your passing. You will always be in our memories as one of the most giving, helpful, strong and loving person while you were here and I miss you already. I love you oodles and gobs, and to the moon and back, and look forward to once again seeing you.*

“ *May your family find peace as "the hearer of prayer" embraces their hearts. Keep comforting one another and building one another up, as the days ahead become hard to bear. We hope that the many cards, hugs, kind words, and loving prayers sustains your family during this most difficult time.*
