“ Well never forget Steves dry delightful sense of humor, his subtle laugh and his calm spirit. He loved his children and grandchildren because he talked about them every time I spoke with him. I am a better person for having known Steve and we will miss him terribly.

“ We both have fond memories of Steve from working with him at Safeway. He was always a genuine person who was the same at work as he was outside of the store. Cam and him always talked golf and would say that they should go golfing together soon. I guess that game will have to wait until they see each other on the greens in heaven. Although we didnt see him often, we will miss those visits in the store. Our thoughts and prayers are with all of you. Cam and Becky

“ We both taught Steve at RHS back in the early 70s (1971-72 ??) and recall that he was a good student and a fine young man. We extend our sympathies to his family, especially to his brothers Kevin and David who were also students of ours a few years later.

“ I am shocked and saddened by Steves passing. We met through the baseball fields that our boys played on against each other. My son Christopher played against Mychal and Geoffrey. It was always a slugfest and Steve and I enjoyed it to no end. My best wishes to Steves family and I want you to know he was a friend and great guy. My love to the family.

“ I was am so sad to hear of Steves passing. We became friends when we met in Portland about three years ago. He always spoke about his beautiful daughter, and handsome twin sons and his adorable grandchildren he said how he was so proud of his family. He was a great person someone who lifted your spirits someone who inspired because of his bravery in dealing with lifes unfortunate surprises. He taught me so much, and I will forever be grateful that Steve came into my life and was my friend. I will miss you Steve.
