“ One evening in the late seventies when I was staying with my father in Palm Desert in between semesters at San Diego State University, we invited Steven over for dinner. Steven had been living in the area as well. Anyway, we were both surprised when Dad announced he had cooked a delicious beef heart dinner. We made it through the dinner, and over the years, we joked about how our stomachs turned that night with that beef heart. We never forgot it.

“ Angeli & Malcolm remember our marvelous time on St. Stephen's Day, 12/26/2023 at O'Brien's pub innocently warming up with Irish Coffees and conversation and, with the owner's help, ending with a whiskey showdown. Each and every time that we visit that fine establishment, we will be offering up a toast to you, your love of life, adventuring spirit and and sense of humor. Sláinte Steven!!
