“ Ted was one of the best people I ever had the pleasure of knowing. I met him through Dennis O'Donnell a high school friend. We rode Harley's together. Ted was in his 80's at the time. He always led the group of riders. He was an amazing man with a beautiful loving wife who he adored. He was like a father figure and a real good friend. My wife Sandra and I became good friends with Ted and Donna. He will be missed by many. I have nothing but fond memories of Ted. Rest in peace my friend!
